Events including DJs, live music nights and parties can all be found on our social media channels. [@lostsocietybattersea](https://www.instagram.com/lostsocietybattersea)

LOST SOCIETY COVID SAFE POLICY

Lost Society is fully committed to the safety and wellbeing of our guests and staff. We have taken the following measures to make sure our venues are COVID Secure:

We have measured and reduced venue capacities to ensure that appropriate social distancing can be maintained at all times.

Hand sanitiser will be offered on arrival and on departure, with hands free dispense points positioned by the entrances and outside the toilet facilities. Where possible, we will keep windows and doors open to reduce contact entry points in venue; and for improved ventilation. Guests will be asked to declare that they are COVID symptom free before entering the premises.

During the first phase of reopening, table service only will be in operation in venue; we will also be offering drinks to takeaway in disposable glasses, to be ordered outside at specially designated take-away points. Tables will be spaced according to the needs of our customers, and to ensure a minimum of 1+ meter distance can be maintained between each booking of 1 to 2 households.

Where possible booking arrival times will be staggered to allow for social distancing; socially distanced queuing will be in operation in the event two or more parties arrive concurrently. We are happy to accept walk-ins if there is table space available: guests will be required to leave their name and phone number in compliance with Government guidance. Our menus will be offered online for contactless ordering and payment; or on request on single use recycled paper.

A one-in-one-out system will be in place for the use of the toilet facilities to allow for appropriate social distancing. Dancing or any behaviour that contravenes social distancing regulations will not be allowed but we do encourage you all to enjoy yourselves whilst seated at your table. Tables will be cleaned and sanitised between each use.

Contactless payment methods are both welcomed and encouraged at our venues. Regular and thorough sanitising will be undertaken of all venue touch points and facilities. Our management teams and staff have undertaken additional training to ensure the venue is COVID Secure and operating fully in line with current Government guidance.

WHAT'LL BE ON WHEN THE WORLD GOES BACK TO NORMAL?
